Youth-Adult Partnerships Pre-Reflection

Instructions: **Before** viewing the e-learning on Youth-Adult Partnerships, please take five to ten minutes to reflect and respond to the following questions. Have your responses available for reference during the e-learning workshop, as well as your next Network conference call.

1. What do I honestly think about the idea of youth and adults partnering together?

2. What am I currently doing that contributes to successful youth-adult partnerships?

3. What am I currently doing that deters from youth and adults partnering successfully?

4. What would I say if someone asked me to explain what youth-adult partnerships are?
