U.S. Programs Resources and Relief

World Vision®

Mission Statement:

To equip partners and mobilize resources to relieve suffering and help transform communities for the well being of children and youth.

U.S. Programs Resources and Relief

In 2010, we distributed nearly
\$60M of donated goods

U.S. Programs Resources and Relief

Partnered with more than **2,000 organizations** (including almost **800 schools** with over **23,000 teachers**) who reached nearly **2 million children**

U.S. Programs Resources and Relief

This year we are mobilizing over **1,000** volunteers in **15** different communities for summer missions

U.S. Programs Resources and Relief

We are currently responding to the worst disaster in the Southeast U.S. since Hurricane Katrina. More than **300 tornadoes ravaged seven states in just three days.**
